# Keep Track of NC Election Turnout Statistics

Want to track NC election turnout statistics? Check out this Vote Tracker dashboard developed by Civitas/The John Locke Foundation.

Vote Tracker helps people better understand early "one stop" and absentee-by-mail turnout numbers. The data comes straight from the North Carolina Board of Elections, where it is refreshed each morning during the early voting period with the previous day's data. Vote Tracker's data filter allows you to examine turnout in individual counties or districts and take a closer look at turnout for parts of the electorate with searches based on age, sex, party registration or several other factors.

#### 2024 General Election Early Voting Poll Greeting (Multiple Dates)

Poll greeting is one of the most important activities volunteers do. We greet voters at the polls, offer them the Sample Democratic Ballot, encourage them to vote for the candidates on BOTH SIDES of the ballot, and thank them for voting. We also provide a friendly face for folks who may not be entirely comfortable or who may be unsure about the process of voting in person.

Sign up at 2024 General Election Early Voting Poll Greeting Sign Up. After you sign up, Mobilize will send you a confirmation email with a link to download CCDP's 2024 Poll Greeting Guidelines and a link to optional, but highly recommended, Poll Greeters Training Zoom sessions for both new and experienced poll greeters.

#### **Election Day Poll Greeting**

Signups are now open for poll greeting volunteers on Election Day, November 5, at each of our 16 precinct voting sites. Here are the Mobilize links for each precinct:

Be a Poll Observer

Interested in being a poll observer on Election Day? This year more than ever CCDP Poll Observers watch for any missteps in the election processes inside each polling place. They've been in use for at least a hundred years as a way to promote election integrity, with the idea that if both parties are watching, it's much harder for either to tamper with the votes. If something goes amiss, poll observers contact a central incident reporting operation.

Poll observers are approved by the Chatham County Board of Elections before they are allowed to be an observer. The Board of Elections requires us to submit name, address, and telephone number, and therefore we must collect that information here.

Names must be submitted to the Board of Elections in advance so sign up will end on Oct 31st. Please sign up for as many shifts as you can before that date.

You must be a registered voter of Chatham County to be a poll observer in Chatham County. Sign up <u>here</u>.

#### Join Our Phone Banking Team

*Now* is the time to ramp up enthusiasm and engagement! Early voting is under way! CCDP has a goal of delivering 28,000 votes for all 28 Democratic candidates on the ballot in November. To reach that goal, we are calling registered Democrats and leftleaning Unaffiliated Voters to make sure they know that their vote matters. Please volunteer TODAY - By talking to voters on our call lists, you will help make sure that our side shows up in November.

### News from the North Carolina Democratic Party

If you are planning to vote by mail-in ballot, be sure you request your Absentee Ballot from your county Board of Elections before the deadline on **Wednesday**, **October 29th at 5 p.m.!** Use **IWILLVOTE.COM** for additional information.

#### Our digital messages this week are:

- Don't Boo, Vote! Halloween is all about being scary, but there isn't much that's scarier than not having your voice heard in one of our state's and country's most consequential elections. Humanity is on the ballot. Decency is on the ballot. Please don't ghost this election!
- **A New South** Here in the South, we have a lot of regional pride. We will not let the ugly history of the south creep back into the politics of a place we hold so dear to our hearts. We are bringing back what it means to love your neighbor and show up for your community! **We are a new south!**
- Disturbing Don From "Disaster Don" to "Disturbing Don" in just a week's time, it should be no surprise that we are talking about Donald Trump. From his "Project 2025" agenda that calls for cuts to FEMA aid, to suggesting he will use military force if reelected on <u>"the enemy within"</u> to his alleged comment that he needs the <u>"kind of generals that Hitler had".</u> Donald Trump is disturbed, he is dangerous, and he will be a disaster for democracy if he returns to the oval office. Get your friends and family out to vote ASAP!

See y'all on the Internet, Team NCDP

#### North Carolina Breaks Early Voting Record NEW

# 1,381,182 ballots have been cast already in North Carolina (as of October 21, 2024)

The North Carolina State Board of Elections announced the first day of the in-person early voting period on Thursday **set a first-day record of 353,166 ballots** accepted at sites statewide, according to preliminary State Board of Elections data.

The early voting numbers topped the previous record for the first day of early voting — 348,559, set in 2020 — by 1.3 percent.

# With less than two weeks left in this election, we know that all eyes are on North Carolina and NCDP.

Senator Thom Tillis even told media outlet Semafor: "what we're seeing in North Carolina that we haven't seen for a time, though, is a really well organized ground game by the Democrats."

# <u>POLITICO</u> said "of the seven battleground states that will likely decide the presidency, North Carolina might be the sleeper."

The stakes couldn't be higher and in the home stretch we're going to leave it all on the playing field.

This is why NCDP has made it a year-round effort to knock doors, talk to voters in every corner of our state, and draw visibility to our efforts with Chair Clayton appearing on national and local media. We have a chance to pull off a huge victory and flip the state for Kamala Harris, and win crucial seats down ballot to save the future of our state. **Now let's go win this thing.**
